## DONOR REPRESENTATIVES

We serve as Philanthropic Consultants for those seeking to make a difference across America's natural & historical landscape.

By creating original philanthropic opportunities, or sourcing existing ones, we facilitate unique and memorable donor experiences that fortify legacies and endure the test of time.

## ABOUT US

Compass Point Capital's mission is to preserve and propagate American history and nature, enabling future generations the opportunity to learn from the land and those who came before. Personified best by the Native American proverb: We do not inherit the Earth from our ancestors; we borrow it from our children.
